

The Hong Kong Football Club is a private members' club, but does allow participation in certain junior sports programmes by both Members and Non-Members alike. This is allowed following the conditions listed below:

Mobile Phones – The use of mobile phones is strictly banned in all indoor areas of the Club. Please switch your phone off when you enter the Club and do not take phone calls inside the Club buildings. The Club provides a number of landlines that can be used free of charge.

Supervision of Children – All children must be accompanied by their parent or guardian when participating in Youth Rugby. Children must not, under any circumstances, be left to wander about the Club premises on their own. Remember it is the parent/guardian/helper who is responsible for their children and their behaviour.

Non-Members – Outside of Youth Rugby training sessions, Non-Members should be accompanied by an HKFC Member when visiting any of the Club's Food and Beverage or Sports and Recreation facilities.

*Outside Food and Beverage – Outside food and drink is **NOT** allowed on Club premises. Water stations are installed at various locations around the Club. On Sunday mornings, the Club provides outlets where food and/or drinks can be purchased (via Octopus cards).*

Payment for HKFC Youth Rugby programme – Once a place is confirmed in the HKFC Youth Rugby programme, refunds of the registration fee cannot be made.

Volunteers – The HKFC Youth Rugby programme is staffed by volunteers, who generously give up their time to ensure the smooth running of the Club. Please be mindful when speaking to Age Groups Coaches, Managers and Club Administrators. If you would like to volunteer, please speak to your age group Head Coach or Manager.
